CWTA is a nonprofit association.

We provide 10 monthly international commerce events with a single mission: ***“Growth Through Trade”***. As part of our Christmas holiday tradition, we focus our support on a nonprofit organization serving our community.

This year, the CWTA will focus on the military family. For over a decade now, our all-volunteer military have endured multiple deployments. The impact goes beyond our dedicated military personnel and has a ripple effect that is felt by a service members’ family, love ones, and community. The informative portion of the “2015 Salute to the Troops—Family Focus” program will highlight the role of the USO of NC through the eyes of the service member, their family and community.

Please join us in honoring and supporting those who serve and protect us!

Attached are the Benefit Sponsor Packages available for your support and pictures from the 2014 event:
